

General Education: Archway Curriculum

Archway Curriculum

The general education requirements have been revised.

These General Education Requirements are for First-Year students starting in Fall 2014 or later and Transfer students starting in Fall 2015 and later. Any student starting prior to the previously stated dates should follow the "Preparing for Global Citizenship" curriculum.

First-Year Curriculum

Archway Seminar

The Archway Seminar introduces first-year students to the intellectual practices that must be cultivated and routinely exercised to make the most of a liberal education. By exploring an interdisciplinary topic, students develop their capacity to think analytically, conduct research, communicate orally and in writing, and collaborate in solving problems.

All students will take:

Foundational Literacies

Modern Language Literacy

The study of a modern language is a vehicle for learning about other cultures. Developing proficiency in another language enables students to communicate more effectively in a multilingual society.

Students will acquire, at a minimum, proficiency equivalent to a year of modern language study at the college level, and all students will complete at least one semester of college language study.

Students with previous language study will be tested and placed in the appropriate language class. The modern language requirement at Nebraska Wesleyan can be met in the following ways*:

Satisfactory completion of Stage II (second semester of the beginning two-semester language sequence) (4-5 credits)

Satisfactory completion of a more advanced language course (i.e., Stage III or higher) (3 credits)

Students with previous language study who have been tested and place higher than Stage II may meet this requirement upon

completion of one semester in a new language, if they prefer (4-5 credits).

Requirement waived for students who have completed the fourth-year high school language course in a modern language.

Students must have earned grades of "B" or higher in each semester of language study, or grades of "A" in the final two semesters.

Requirement waived for native speakers of languages other than English who have fulfilled the TOEFL/APIEL/IELTS admission standard.

*Wesleyan Advantage students (those who complete a minimum of 24 hours through the Wesleyan Advantage program) may meet the modern language requirement in the following ways:

Satisfactory completion of any Stage I or higher modern language course

Satisfactory completion of an approved modern language course designed for nontraditional students: SPAN 1050 Spanish: Spanish for Communication or SPAN 1100 Spanish: Spanish for Health Professionals.
