A survey of the contents of the Jewish Bible/Christian Old Testament. These texts will be studied as they developed within the unfolding history of the Hebrew people in relationship to other nations and cultures of the ancient Near East from about 1200 B.C.E. - 150 B.C.E. Emphasis will be placed upon the literary, historical, and theological issues presented by these ancient texts. The methods, tools, and technical language of scholarly research appropriate to the texts of the Bible will be introduced. (Normally offered each fall semester.)
