**Majors**

Exercise Science (B.S.)

Health and Fitness Studies (B.S.)

**Minors**

Exercise Science

**Departments/Programs:**

Health and Human Performance

This is an experimental research investigation in which each student formulates his or her own research topic, collects and analyzes the data relevant to that topic, and prepares a formal report of the investigation consistent with guidelines for preparing journal manuscripts.

*Prerequisite(s): HHP 3800 Research and Statistical Methods - I or permission of instructor.*

(Normally offered each spring semester.)
