Departments/Programs:

Sociology and Anthropology

This course uses sociological perspectives to examine the causes and consequences of a society stratisfied by racial-ethinic diversity. It looks at the way historical decisions made by the dominant group have impacted the current situation for majority-minority relations in the U.S.A structural assessment of current social relations is emphasized although individual prejudice and discrimination is examined. Concepts such as white-privilege, immigration, and institutional discrimination are investigated. The requirements of the 2330 course will be the same as the 1330 course EXCEPT that students in the higher course number will complete a 20 hour service-learning component.
(Normally offered each semester.)
