Nebraska Wesleyan University

NURS 5530 Innovative Nursing Education Strategies

Catalog

2015-2016

Course Description

This course assists the nurse educator in the development of innovative nursing education strategies in an area of practice of the student's choice. Emphasis is placed on research-based practice in education through the application of models and theories and the development of strategies for targeted populations. The majority of the course is web based; however, students meet face to face the first and last weeks of the term.
Prerequisite(s): NURS 5520 Curriculum Development in Nursing.
Corequisite(s): NURS 5560 Teaching Strategies and Evaluation.
