Nursing (R.N. to M.S.N.)

Certificates

Certificate in Nursing Education

Departments/Programs:

Nursing (Graduate)

This course assists the nurse educator in the development of innovative nursing education strategies in an area of practice of the student's choice. Emphasis is placed on research-based practice in education through the application of models and theories and the development of strategies for targeted populations. The majority of the course is web based; however, students meet face to face the first and last weeks of the term.

Prerequisite(s): NURS 5520 Curriculum Development in Nursing.

Corequisite(s): NURS 5560 Teaching Strategies and Evaluation.
