

Course:

HIST 5640 Nebraska History

3 hours

Departments/Programs:

Historical Studies (Graduate)

This course will explore Nebraska from the time of its first inhabitants to the present. We will examine Indian activity, geography, agriculture, politics, business and social history. There will be some lecturing, but a strong emphasis on class discussion. There will also be videos and guest speakers.

Prerequisite(s): HIST 5010 Fundamentals of American History I and HIST 5020 Fundamentals of American History II.
