

**Major:**

## **Athletic Training (B.S.)**

**Departments/Programs:**

Health and Human Performance

**Admission Standards for the Athletic Training Education Program:**

Due to the nature of the athletic training major, students who wish to pursue the Bachelor of Science in Athletic Training degree must be formally admitted to the program. This is a selective admissions program, which limits acceptance to 12 students per year. Acceptance into the program is based on the admission material completed and turned in to the Program Director on April 1. To see all admissions requirements and to obtain admission materials, visit the [Athletic Training Education Program](#) page.

The B.S. in Athletic Training is accredited by the Commission on Accreditation of Athletic Training Education:

Commission on Accreditation of Athletic Training Education  
2201 Double Creek Dr., Suite 5006  
Round Rock, TX 78664  
512.733.9700  
[www.caate.net](http://www.caate.net)

A graduating athletic training major should:

1. Be able to demonstrate proficiency in the following 9 content areas
  - Acute Care of Injuries and Illnesses
  - Clinical Examination and Diagnosis
  - Clinical Integration Proficiencies
  - Evidenced Based Practice
  - Health Care Administration
  - Professional Development and Responsibility
  - Prevention and Health Promotion
  - Psychosocial Strategies and Referral
  - Therapeutic Interventions
2. Demonstrate practical application of knowledge in an appropriately supervised clinical setting.
3. Fulfill the eligibility requirements to sit for the Board of Certification examination.
