Nebraska Wesleyan University

NURS 4460L Community Health Nursing Clinical

Catalog

2015-2016

Course Description

This course focuses on the application of community health nursing concepts with individuals, families, groups, and populations. Emphasis is placed on applying the nursing process to problems of persons from a variety of cultural groups and to those with developmental and situational crises. In the clinical setting, students work with persons throughout the age span and in a variety of community settings.
Corequisite(s): NURS 4460 Community Health Nursing.
