Nebraska Wesleyan University

Nursing (Pre-Licensure)

Catalog

2014-2015

About the Program

These courses are offered within the Pre-licensure (traditional 'four year') Bachelor of Science in Nursing program only.

Courses

NURS 1910 Medical Terminology

1 hour

This course focuses on the systematic approach to word building and term comprehension of medical terms. Includes definitions, spellings, pronunciations and common abbreviations of medical terms.

NURS 3040 Women's Health: Global Perspective

3 hours

This course introduces womenâ??s health with and emphasis on global issues. Womenâ??s health will be examined using the influences of social, political, economic, cultural, and geographical factors. Students will examine the basic health needs of all women and compare the availability of and types of services in different parts of the world.
Course is over 8-week period.
