Nebraska Wesleyan University

NURS 2110 Pharmacology II

Catalog

2015-2016

Course Description

A continuation of evidence based pharmacotherapeutic aspects of nursing care. Emphasis is on principles of safe administration of medications and common uses for major medication classifications. Ethical and cultural considerations across the life span are considered for each medication classification. Includes content and in-class learning activities with intravenous fluids, blood administration and parental nutrition.
Prerequisite(s): NURS 2000 Foundations of Professional Nursing Practice, NURS 2100 Pharmacology I, NURS 2180 Health Assessment for Pre-Licensure Students, and NURS 2200 Medical-Surgical I.
