### Departments/Programs:

Communication Studies

The study of cultural differences that influence the exchange of meaning between individuals and groups of different cultural and/or racial backgrounds. The course is designed to provide students with an understanding of the uniqueness of cultures and the resulting variations in communication styles and preferences, and to provide strategies and skills for successfully communicating across cultural barriers. Students will spend at least 20 hours during the semester working with community agencies serving clients from different cultures.

(Normally offered each semester.)
