Nebraska Wesleyan University

NURS 5980 The Research Process

Catalog

2016-2017

Course Description

This course will allow for students to focus on the first steps of the research process: completing a literature map; presenting a conceptual picture of how articles collected interact; gaining valuable knowledge on the topic of their choosing; defining what they intend to present for their final project; and becoming more comfortable in conducting research.
Prerequisite(s): NURS 5050 Research and Evidence Based Practice in Nursing and Health Care.

Course Hours

3 hours

Departments

1. Nursing (Graduate)
