Majors (Grad)

Business Administration (M.B.A.)

Business Administration (M.S.N. bridge to M.B.A.)

Nursing/Business Administration (M.S.N./M.B.A.) Joint Degree

Departments/Programs:

Business Administration (Graduate)

This course provides the skills needed to understand the financial reports of organizations. The objective is to develop the ability to make the decisions in the financial reporting process and to develop the ability to evaluate and use accounting data. Emphasis is placed on understanding the breadth of accounting measurement practices and on being able to make the adjustments necessary for careful analysis. The course highlights the linkages between accounting information and management planning, and decision making.

Prerequisite(s): Admission to the graduate program.
