LEAD 5310 Evolve: Your Leadership Voice, Values and Worldview

Catalog

2016-2017

Course Description

This 5 week program is designed to create personal change, evolve self-knowledge and expand your world-view. Expect change to occur in how you lead and how you work, not matter what your business. This educational and experiential course will provide a peer to peer learning cohort; deliver practical tools to use every day; and explore transformational change plus evolutionary change through self-knowledge.
