Program Description

The Nebraska Wesleyan University Leadership Institute offers Certificate programs at the graduate and undergraduate level for individuals seeking advanced education in organizational and professional leadership (offered for credit or not-for-credit).

Certificates run throughout the academic year and during the summer in eight-week sessions that meet one night per week. Students who complete the Certificates for credit will earn 12 credit hours at Nebraska Wesleyan, and an official diploma acknowledging completion of the Certificate program. Some of the graduate-level courses can be applied to Nebraska Wesleyan's MBA program. Students pursuing these certificates for credit, who meet the admissions requirements for the MBA, are automatically accepted into the MBA and may apply these courses to the program at any time.
