

LEAD 4500 Action Research for Leadership

3 hours

Majors (Adult)

Organizational Leadership and Communication (B.S.)

Departments/Programs:

Organizational Leadership and Communication (Adult Undergraduate)

This course will introduce action research, a form of systematic inquiry by practitioners in their own practice. Students will attain a conceptual and practical understanding of action research methods in a variety of communication and leadership settings. In addition, students will prepare a sound action research proposal and explore strategies for transforming conditions through data-driven decision-making.

Prerequisite(s): LEAD-4300 LEAD-4500
