In conjunction with the semester abroad, students must also complete either GLST 2010 Preparing for Education Abroad before studying abroad or GLST 3010 Processing the International Experience following study abroad, as well as MLANG 3910 Engaging in Study Abroad during the semester abroad. For information on the many available exchange programs and financial aid and scholarship options, students should talk with the Director of Global Engagement and visit the library of study abroad resources.`

Additional Considerations

- Students may choose to complete more than one Language Concentration. In this case, only one Senior Capstone is required.
- Majors preparing to teach a modern language should consult the Education Department.
- In the exceptional circumstance of a student who has already declared a first major in another department with the intent of earning a B.S. degree, a student may submit a petition to the Department of Modern Languages seeking permission to declare a second major in Modern Language Studies for a B.S. degree.
