Course:

ART 2700 Sculpture 2

3 hours

Departments/Programs:

Art

This course builds on skills learned in Sculpture I while introducing advanced techniques using metal and wood fabrication, non-traditional art making materials, and contemporary themes. Students will continue to investigate spatial strategies, develop artist statements, and continue to further their knowledge of tools, equipment and materials, as well as observe professional standards of shop conduct and safety. Various levels (1-4) of this studio art medium may meet together. The course requirements of each level are different. *Prerequisite(s): ART 1700 Sculpture 1*
