Course:

ART 3500 Photography 3

3 hours

Departments/Programs:

Art

Students use the technical knowledge and skill gained in Photography1 & 2 to express themselves through photographic media. They will increase their ability to describe and analyze images verbally and in writing. At this point they will have a well-rounded knowledge of contemporary photographers, photographic processes and issues. Experimental processes may be explored at this stage. Various levels (1-4) of this studio art medium may meet together. The course requirements of each level are different.
