Course:

ART 3700 Sculpture 3

3 hours

Departments/Programs:

Art

This course builds on technical skills and historic and contemporary themes addressed in Sculpture I and Sculpture II while introducing advanced spatial strategies of three dimensional object â??based installation and site specific work. In addition, students will present thoughtful research on contemporary artists that inform their studio practices, continue to develop artist statements, and observe professional standards of shop conduct and safety. Various levels (1-4) of this studio art medium may meet together. The course requirements of each level are different. *Prerequisite(s): ART 2700 Sculpture 2*
