Nebraska Wesleyan University

ART 3800 Metalsmithing 3

Catalog

2017-2018

Course Description

Students will continue their exploration of form and content by combining experimentation with both technical competence and aesthetic concerns of the medium. Experimentation with advanced techniques will include constructing mechanisms and casting. Various levels (1-4) of this studio art medium may meet together. The course requirements of each level are different.
Prerequisite(s): ART 2800 Metalsmithing 2
