ART 4500 Photography 4

Catalog

2017-2018

Course Description

Independently driven projects are the core of this course. Students follow their interests and skills developed in previous semesters of photography to a professional or internship level. They will engage in creative inquiry, research and self-reflection to develop a body of work that is contextualized in the wider art world. May be repeated for credit. Various levels (1-4) of this studio art medium may meet together. The course requirements of each level are different.
