Nebraska Wesleyan University

HHP 2010 Drugs in Modern Society

Catalog

2017-2018

Course Description

A course designed to develop and expand information about the use and abuse of drugs including: alcohol, tobacco, depressants, stimulants, narcotics, inhalants, club drugs, date rape drugs, hallucinogens, marijuana, sport enhancement drugs, prescription and OTC drugs. The course will include history of, and facts about the substances, the pharmacokinetic properties, the formation of laws, the victims, prevention, and approaches to treating the problem.
(Normally offered each fall semester.)
