

## ENG 3200 Monsters, Miracles, and Magic in the Literature of Later Medieval England

2 hours

Majors, Minors & Degrees:

**Majors**  
English (B.A.)

Departments/Programs:  
English

A course in the literature of the medieval period in England, emphasizing the period's linguistic diversity and focusing on texts featuring situations or characters that in some way transcend ordinary experience.

*Prerequisite(s): ENG 2000 Introduction to Textual Studies and junior standing.*
