Nebraska Wesleyan University

HCMGT 5250 Ethics in Health Care and Business

Catalog

2017-2018

Course Description

This course provides an overview of the ethical issues leaders will face in the healthcare management and business environments. Students will explore case scenarios that examine the ethical decision-making of health care providers and others working in health care facilities. Students will develop skills for applying deliberation tools and frameworks to a wide variety of topics including: realms of ethics, shared-decision-making, quality/safety/compliance, healthcare disparities, research ethics, care for the vulnerable and marginalized, and public health.
Prerequisite(s): Admission to the MSN/MBA program.
