Health and Human Performance

A course designed to prepare students entering the professional environment in the field of health and human performance. This will be an opportunity for students to examine previous coursework and discuss its practical application to their chosen career.

Topics to be covered are: the importance of goal and objective setting, networking, cover letter and resume writing including references, personal statement writing, applications for graduate school and/or job applications, and interviewing.

*Prerequisite(s): Junior or senior standing and a departmental major, or permission of the instructor.*

(Normally offered each semester.)
