Nebraska Wesleyan University

THTRE 3700 Production Design I

Catalog

2018-2019

Course Description

An introductory design studio course focusing on scenery, costume, and lighting design for the theatre. Students will design the visual world of a number of dramas, comedies, or musicals creating standard designer communication documents including sketches, renderings, and drafting. The course also emphasizes script analysis and visual research in the design process. Students will assemble a portfolio documenting their designs.
Prerequisite(s): THTRE-1020, THTRE 2700 Introduction to Theatrical Design, and THTRE 2710 Theatrical Design Techniques or permission of the instructor.
