## Nebraska Wesleyan University

Catalog 2018-2019

## **BUSAD 5120 Decision Sciences**

3 hours

Majors, Minors & Degrees:

## Certificates

**Executive Leadership** 

## Departments/Programs:

**Business Administration (Graduate)** 

This course provides an introduction to the concepts of decision science--the application of quantitative methods to decision making. It provides a foundation for spreadsheet applications and model development. Students will gain technical knowledge and expertise in applying mathematical models and analysis to business problems.
