**Nebraska Wesleyan University**

# MATH 4800 Research Experience

## Catalog

2018-2019

## Course Description

An independent research experience involving survey and synthesis of literature in a particular mathematical topic. In some cases, the student may undertake novel investigations. The experience will culminate in a conference-style presentation and written report. Students will keep a reflection journal throughout the experience.
*Prerequisite: Permission of Department Chair.*
Pass/Fail Only.

Archway Curriculum: Essential Connections: Experiential Learning: Intensive
