

General Education: Archway Curriculum for Adult Undergraduate Program

Archway Curriculum ~ Adult Undergraduate Program

The Archway Curriculum integrates learning across disciplinary boundaries, enhances learning through non-classroom experiences, and weaves skill development throughout the academic program. Students will have frequent opportunities to develop fundamental skills in communicating effectively and thinking critically. Through this curriculum, students will be exposed to a broad range of topics and perspectives, enhancing their understanding of the world.

- Except for the Archway Seminar, any course in the Archway Curriculum may count in a major or minor, as appropriate.
- Any course that is listed in multiple areas within Archway Curriculum may be counted by a student in all the applicable areas.
- Students may take only one course pass/fail (grade of P*) in the Archway Curriculum. That course must be in the Foundational Literacies. [Note: if the course is also used for student's major or minor, taking the course pass/fail is not allowed.]
- For students entering Nebraska Wesleyan with a baccalaureate degree from an accredited institution, the Archway Curriculum is waived.

Courses most frequently offered through the Adult Undergraduate program that fulfill each of the Archway Curriculum requirements are listed below. Other courses approved to fulfill the requirements may be transferred in or may also be offered through the Adult Undergraduate program.
