Nebraska Wesleyan University

Sport Management (B.S.)

Catalog

2018-2019

Program Description

Careers in sport management are geared toward the expansive world of sports. Behind the players and the game itself, there are infrastructures in place to ensure the games continue. As in all businesses, sports organizations need managers, accountants, marketing and advertising managers, sales people and operations managers to organize and operate effectively.

Learning Outcomes
Majors will be able to:

1. Expand the overall breadth of knowledge of the sport industry.
2. Effectively and appropriately communicate through oral and written skills
3. Problem solve - to critically think and analyze situations to find solutions through experience and conversation.

Departments

1. Health and Human Performance
