Nebraska Wesleyan University

Nursing Traditional (B.S.N.)

Catalog

2018-2019

Program Description

The Nebraska Wesleyan University Traditional BSN program offers a traditional 4-year Bachelor of Science in Nursing (BSN) degree combining clinical and foundational knowledge including liberal arts courses to receive a more comprehensive education.

Students will gain hands on experience with over 900 clinical hours completed upon graduation from the program. Students will further develop critical thinking, decision-making and communication skills through clinical and preceptorship experiences. Students will also train in a fully equipped skills lab. Access to a simulation lab will be included in the clinical coursework.

This program has small class sizes with experienced faculty in all specialty areas of nursing. A prep course is built into the curriculum to help students succeed on the National Council Licensure Examination (NCLEX).

Students will first complete prerequisite coursework totaling 34-36 credits before admission to the program. Some nursing courses are in 8 week formats.

Standard Admission

Admission to the NWU's Traditional BSN program is a competitive process and is based upon pre-requisite GPA, overall college GPA, entrance exam, interview, essay, and professional references. It is a selective process that admits a limited number of students per year. Students must meet these requirements to be admitted:

- Completion of pre-requisite courses with grade of â??Câ?• or better
- Cumulative college GPA of 2.5 or above
- CPR certification for Healthcare Providers
- Successful completion of a Certified Nurse Aid course and listed on the state registry.
- Submission of 2 professional references
- Successful completion of background check, drug screen, immunization tracker, and essential functions form.

After the online application for the nursing program is complete, qualified applicants will interview with nursing faculty, write an essay on site, and take the Kaplan admission exam. Admission process is subject to change and/or revision by nursing faculty.

Direct Entry Admission

Direct Entry Admission is available to applicants of the Traditional BSN program whose GPA is 3.50 or above and whose ACT score is 22 or above (or the equivalent SAT score). Up to 75% of each cohort can be admitted via Direct Entry Admission.
