Additional Considerations

- Majors preparing to teach a modern language should consult the Education Department.
- In the exceptional circumstance of a student who has already declared a first major in another department with the intent of earning a B.S. degree, a student may submit a petition to the Department of Modern Languages seeking permission to declare a second major in Modern Language Studies for a B.S. degree.

***A Modern Language Studies major customarily earns a B.A. degree. However, if a student has a first major that is associated with a different baccalaureate degree, the Modern Language Studies major may serve as a second major for the degree associated with the first major (B.S., B.FA., B.M., B.S.N.).*
