Nebraska Wesleyan University

ART 1050 Basic Design

Catalog

2019-2020

Course Description

This course gives students a working comprehension of the elements and principles of design in a variety of media. Students are expected to develop a strong studio work ethic, increase creative problem-solving capabilities, and discover ways to communicate ideas visually. Students learn through making, self-reflection, and critique to develop a verbal/visual vocabulary that forms the foundation for the future study of art.
