# MATH 3950 Independent Study

## Catalog

2019-2020

## Course Description

This is a course where a student works independently on a topic. The student initially meets with the department chair to select a study topic. At this time the student will be assigned a faculty resource person to guide his or her work and assist in an advisory capacity. A copy of the student's work is filed in the archives for the department. Independent Study may not duplicate courses described in the catalog.
*Prerequisite(s): Junior standing or permission of the department chair.*
