**Nebraska Wesleyan University**

# MATH 1000 Mathematics for Liberal Arts

## Catalog

2020-2021

## Course Description

An investigation of the application of mathematical reasoning and problem solving. Topics may include networks, linear programming, data sampling and analysis, voting systems, game theory, measurement analysis, and coding. (Normally offered each fall semester.)

Archway Curriculum: Foundational Literacies: Mathematical Problem Solving

## Course Hours

3 hours

## Departments

1. Mathematics and Computer Science
