Nebraska Wesleyan University

NURS 3340 Health Care Ethics

Catalog

2020-2021

Course Description

This introduction to the study of ethics uses primary sources for the analysis of present day ethical dilemmas in health care. The course examines some of the prominent moral principles and systems of the western tradition from Aristotle to the present and how those principles are applied to issues in health care ethics. Course is over 8-week period.
Prerequisite(s): Admission to BSN program and IDS 1010/IDS 1011 Archway Seminar.

Archway Curriculum: Essential Connections: Writing Instructive
Archway Curriculum: Integrative Core: Human Health and Disease Thread
