Since its publication in 1831, Alexis de Tocqueville's Democracy in America has remained a classic text in sociology, political science, and American cultural studies, both as a document of what the United States was like in the half-century before the Civil War and as a dissection of our national character. The course will be devoted to reading, discussing, analyzing, and writing about Tocqueville's influential study.

Prerequisite(s): POLSC-1000, POLSC 1010 United States Government and Politics, or POLSC 1010FYW United States Government and Politics and junior standing or permission of the instructor.

(Normally offered alternate fall semesters.)
