

**Course:**

**LEAD 4500 Action Research for Leadership**

**3 hours**

**Majors (Adult)**

Organizational Leadership and Communication (B.S.)

**Departments/Programs:**

Organizational Leadership and Communication (Adult Undergraduate)

This course will introduce action research, a form of systematic inquiry by practitioners in their own practice. Students will attain a conceptual and practical understanding of action research methods in a variety of communication and leadership settings. In addition, students will prepare a sound action research proposal and explore strategies for transforming conditions through data-driven decision-making.

*Prerequisite(s): LEAD 4300 Leadership for Complex Challenges.*
