Nebraska Wesleyan University

SOCWK 5010 Human Behavior In Social Environment

Catalog

2020-2021

Course Description

In this generalist course, students with synthesize and examine the body of knowledge concerning how the individual, group, family, and community systems interrelate with each other and the larger social context from the lifespan stages from birth through adolescence, adulthood, aging, and death. Content will be drawn from the biological, psychological, sociological, eco-political, and cultural environmental systems. The importance of professional ethics in the assessment process is also examined.
