Nebraska Wesleyan University

NURS 3460 Putting Research Into Practice Evidence Based Practice

Catalog

2020-2021

Course Description

This course provides an introduction to the research process for the RN-BSN adult student and prepares students to be beginning consumers of nursing research. Emphasis is placed on critically evaluating nursing research studies and understanding the process of utilizing research for evidence-based practice. Various types of research and research methods as well as basic statistical methods will be discussed.

Prerequisite(s): Admission to BSN program, IDS 1010 Archway Seminar or IDS 1011 Archway Seminar, MATH 1300 Statistics or other approved Statistics course, and junior standing.
