Nebraska Wesleyan University

ART 4600 Research and Practice in Ceramics

Catalog

2021-2022

Course Description

This is a research course. The student will meet with the professor to select a study topic, review research methods, and write a proposal outlining the project in both content and form as well as detailed work plan. It is expected that the student and faculty meet once per week to assess progress of the project.
Prerequisite(s): ART 3600 Advanced Ceramics or permission of instructor

Course Hours

1-4 hours
