Catalog 2021-2022

## **EDUC 5140 Instructional Practice and Curriculum Design**

3 hours

## Majors (Grad)

Curriculum and Instruction (M.Ed.)

## Departments/Programs:

## Education (Graduate)

Students will develop a philosophical base and the skills needed to discuss and analyze curricula and curricular issues in a school setting. A course project using these skills and perspectives will serve as the launch of the action research project. By the completion of this course, participants will identify a problem, create a research proposal, and choose a research coach. *Prerequisite(s): EDUC-5130.*
