Nebraska Wesleyan University

Interdisciplinary Studies

Catalog

2021-2022

About the Program

Interdisciplinary Studies houses programs and courses that do not directly fall under the purview of a regular academic department or established major program. Listed are interdisciplinary/interdepartmental minors, as well as courses that have the IDS prefix. For additional information about specific interdisciplinary programs, contact the appropriate coordinator listed or the Academic Affairs Office or Registrar's Office.

Majors, Minors & Degrees

Majors

1. Integrative Studies

Minors

1. Environmental Studies
2. Family Studies
3. Gender Studies
4. International Policy
5. U.S. Minority Studies

Courses

IDS 1010 Archway Seminar

4 hours

The Archway Seminar is a course designed to introduce first year students to the intellectual practices that must be cultivated and routinely exercised to make the most of a liberal education. Through a topic of intrinsic interest, students will practice and develop their capacity for critical and analytical thought, their ability to conduct and report research on a given topic, and their ability to collaborate in solving problems. In addition, students will exercise their ability to express themselves orally and in writing. The instructor/advisor will help students become independent learners who understand the intent of Nebraska Wesleyan's general education program.
No Pass/Fail.

Archway Curriculum: First-Year Curriculum: Archway Seminar

IDS 1011 Archway Seminar

3 hours

The Archway Seminar introduces students to the intellectual practices that must be cultivated and routinely exercised to make the most of a liberal education. By exploring an interdisciplinary topic, students develop their capacity to think analytically, conduct research, communicate orally and in writing, and collaborate in solving problems. No P/F.
Offered in the Adult Undergraduate program only.

Archway Curriculum: First-Year Curriculum: Archway Seminar

Archway Curriculum: Essential Connections: Writing Instructive

IDS 1020 Integrative Seminar

1 hours

IDS-1020 is a seminar intended for traditional undergraduate transfer students to integrate students into the Archway Curriculum, develop their Archway Curriculum e-Portfolio, develop a positive relationship to Nebraska Wesleyan University, connect with advising, network with cohort of transfer students, develop career goals and strategies, and become effective learners. No P/F.

Prerequisite: Transfer students must have 26 or more college credits earned since high school graduation.

Archway Curriculum: First-Year Curriculum: Archway Seminar

IDS 1030 Exploring Legal Careers

0-1 hours

Students interested in law represent a range of undergraduate majors and it is important to recognize the opportunities available at NWU for students to cultivate the connections, knowledge, skills, and experiences necessary to be successful at the rigorous academic level of law school. This self-exploratory course will guide students as they determine if pre-law is the right direction for them. Students will identify how they can navigate the Archway Curriculum to intentionally choose courses that will support their skill development toward law school as well as inform them of steps they can take to prepare for the legal profession.

IDS 1050FYW Science and Religion Seminar

4 hours

This course provides a survey of issues at the interface of science and religion. These include questions of knowledge, belief, and truth about the beginnings of the cosmos, the origins of human beings, and the roles of science and religion in society. This course can be used to satisfy the core requirement for the Science and Religion Thread. Credit may not be earned for more than one of the Science and Religion Seminar courses of IDS 1050FYW, IDS 1060, or IDS 1070.

Archway Curriculum: First-Year Curriculum: First-Year Writing
Archway Curriculum: Integrative Core: Science and Religion Thread

IDS 1060 Science and Religion Seminar

4 hours

This course provides a survey of issues at the interface of science and religion. These include questions of knowledge, belief, and truth about the beginnings of the cosmos, the origins of human beings, and the roles of science and religion in society. This course can be used to satisfy the core requirement for the Science and Religion Thread. Credit may not be earned for more than one of the Science and Religion Seminar courses of IDS 1050FYW, IDS 1060, or IDS 1070.

Archway Curriculum: Essential Connections: Discourse Instructive
Archway Curriculum: Integrative Core: Science and Religion Thread

IDS 1070 Science and Religion Seminar

4 hours

This course provides a survey of issues at the interface of science and religion. These include questions of knowledge, belief, and truth about the beginnings of the cosmos, the origins of human beings, and the roles of science and religion in society. This course can be used to satisfy the core requirement for the Science and Religion Thread. Credit may not be earned for more than one of the Science and Religion Seminar courses of IDS 1050FYW, IDS 1060, or IDS 1070.

Archway Curriculum: Essential Connections: Writing Instructive
Archway Curriculum: Integrative Core: Science and Religion Thread

IDS 1100FYW Writing and Social Change

2 hours

Students in this composition course will develop their skills in academic and professional writing as they examine the ways that writing, in various forms and mediums, can impact and change the beliefs, perceptions, histories, and/or actions of a culture.

Archway Curriculum: First-Year Curriculum: First-Year Writing
Archway Curriculum: Integrative Core: Chaos Thread

IDS 1200 Identity: An Introductory Exploration

4 hours

This course serves as a required step in the Identity Thread of the Integrative Core. In the course, we will explore fundamental premises about human identity within different world cultures, and study ways in which the development of modernity has challenged and remolded those views. The ultimate aim of the course is to present major questions that the study of identity poses, and explore a variety of approaches to investigating these questions. The course will prepare students for other courses they will take within the thread. Credit may not be earned for more than one of the "Identity" courses of IDS 1200, IDS 1200FYW, or IDS 1210.

Archway Curriculum: Integrative Core: Identity Thread

IDS 1200FYW Identity- An Introduction Exploration

4 hours

This course serves as the first step in the Identity thread of the Integrative Core. In the course we will explore fundamental premises about human identity within different world cultures, and study ways in which the development of modernity has challenged and remolded those views. We will use the lens of identity to explore a number of issues that are at the forefront of modern life. The ultimate aim of the course is to present major questions that the study of identity poses, and explore a variety of approaches to investigating these questions, using writing as a primary tool for this investigation. The course will develop student writing skills, and prepare students for other courses they will take within the thread.The course will prepare students for other courses they will take within the thread. Credit may not be earned for more than one of the "Identity" courses of IDS 1200, IDS 1200FYW, or IDS 1210.

Archway Curriculum: First-Year Curriculum: First-Year Writing
Archway Curriculum: Integrative Core: Identity Thread

IDS 1210 Identity: An Introductory Exploration

4 hours

This course serves as the core requirement in the Identity Thread of the Integrative Core. In the course, we will explore fundamental premises about human identity within different world cultures, and study ways in which the development of modernity has challenged and remolded those views. The ultimate aim of the course is to present major questions that the study of identity poses, and explore a variety of approaches to investigating these questions. The course will prepare students for other courses they will take within the thread. Credit may not be earned for more than one of the "Identity" courses of IDS 1200, IDS 1200FYW, or IDS 1210.

Archway Curriculum: Integrative Core: Identity Thread
Archway Curriculum: Essential Connections: Discourse Instructive

IDS 1300 Justice: An Introductory Experience

4 hours

What is justice, and how as a society do we pursue its realization? Justice: An Introductory Experience will investigate answers to these questions by studying ideas and case studies concerning justice that highlight the challenges involved in its pursuit, and by participating in service learning where students experience local agencies on their efforts to realize a more just society. This course is required for the Justice Thread, where possible as the first course in the Thread.

Archway Curriculum: Justice Thread
Archway Curriculum: Essential Connections: Experiential Learning: Exploratory

IDS 1500 Introduction to Global Human Health

2 hours

This course introduces students to the most important worldwide human health issues, and examines possible solutions. These issues will be examined from multiple perspectives, including biological, environmental, socioeconomics and political. Specific topics will include infectious diseases, nutrition, reproductive health, and non-communicable diseases from childhood to old age. Students will work with case studies that explore global health metrics, ethics and human rights, policies, and practices in a variety of countries. IDS-1500 will complete a reflective assignment related to their evolving perspective on global human health.

Archway Curriculum: Integrative Core: Human Health and Disease Thread

IDS 1900 Selected Topics

1-4 hours

A topical course designed to investigate relevant subject matter not included in any standard courses. The title and the content will be determined by current mutual interests of students and faculty. This course may be offered to meet a requirement for a major only by approval of the department chair.

IDS 1900DG Selected Topics for Diversity Global

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-Global in the Archway Curriculum and C2/C3 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: Global

IDS 1900DU Selected Topics for Diversity-U.S.

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-United States in the Archway Curriculum and E2 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: U.S.

IDS 1920 STEM Seminar

0 hours

The purpose of this course is explore the infinite variety of Science, Technology, Engineering, and Math (STEM) career options and paths, and to practice and guide aspects of personal development that will foster success for undergraduate STEM students in college and beyond. This will be accomplished through bimonthly (Wednesdays, 4-4:50pm) discussions, presentations, and activities, including regular guest presentations from STEM-oriented professionals and alumni in industry and academia. We will also tour a local STEM-oriented company once each semester. Participation is required. Normally offered each semester.

IDS 1950 Independent Study

1-4 hours

This is a research course. The student initially meets with the department chair to select a study topic and review research methods. At this time the student will be assigned a faculty resource person to guide his or her work and assist in an advisory capacity. A copy of the student's work is filed in the archives for the department. Independent Study may not duplicate courses described in the catalog.
Prerequisite(s): Permission of the department chair.

IDS 1960 Special Projects

1-15 hours

Supervised individual projects for students on topics selected by the student in consultation with the instructor. Special Projects may not duplicate courses described in the catalog.
Prerequisite(s): Permission of the instructor.

IDS 1970 Internship

1-8 hours

An on-the-job experience oriented toward the student's major interest. The student is to secure a position in an organization that satisfies the mutual interests of the instructor, the sponsor, and the student. P/F Only.
Prerequisite(s): Permission of the department chair.

IDS 2000 Student-Faculty Collaborative Research

0 hours

For grant recipients of the Nebraska Wesleyan University Student-Faculty Collaboration Research Fund for scholarship or research in collaboration with, or mentored by, faculty. Students carry out active, experiential learning appropriate to the students' disciplines and present the results of their projects in a university-wide local research symposium.
Pass/fail only.
A course fee will be assessed.
Prerequisite(s): Approval of the Student-Faculty Collaborative Research Committee.

IDS 2010 National Prestige Scholarships

1 hour

This course prepares students to apply for National Prestige Scholarships such as Fulbright, Critical Language, Goldwater, Truman, Hollings, etc. Course work includes assignments such as writing and revising personal statements and research proposals and participating in mock interviews.
No Pass/Fail.
Prerequisite(s): Permission of the instructor.

IDS 2020 Design Labs

2, 3, or 4 hours

Design Labs is an intensive on-campus internship that bridges the humanities and science (technology) by offering real world design and marketing experience that challenges the status quo. Apply at: labs.iondesignco.com.
Prerequisite(s): Instructor permission only.

Archway Curriculum: Essential Connections: Experiential Learning: Intensive
Archway Curriculum: Integrative Core: Chaos Thread

IDS 2030 Innovative Approaches to Wicked Problems

2 hours

In this course students will explore current (innovative) approaches for solving the (wicked) complex problems of a generation. By engaging in a design- or systems-thinking approach, students will develop, share, and refine strategies through active collaboration, exploration, and connection both on and beyond campus, seeking out community experts, and will culminate coursework with a final team demonstration of an innovative solution.
Prerequisite(s): Sophomore standing.

Archway Curriculum: Integrative Core: Innovation Thread
Archway Curriculum: Essential Connections: Experiential Learning: Exploratory

IDS 2700E Study Abroad-Exchange Program

12 hours

Students participating in approved exchange programs abroad enroll in IDS 2700E Study Abroad-Exchange Program to maintain continuing student status and advance enrollment for the following semester. As official records are received, final determination of credit is made, and course titles, credits, and grades are posted on the permanent transcript in lieu of IDS 2700E Study Abroad-Exchange Program. May be repeated.
Prerequisite(s): Approval of the Director of International Education.

IDS 2700N Study Abroad-Nonexchange

12 hours

Students participating in approved non-exchange programs abroad enroll in IDS 2700N Study Abroad-Nonexchange to maintain continuing student status and advance enrollment for the following semester. As official records are received, final determination of credit is made, and course titles, credits, and grades are posted on the permanent transcript in lieu of IDS 2700N Study Abroad-Nonexchange. May be repeated. Students pay an administrative fee.
Prerequisite(s): Approval of the Director of International Education.

IDS 2900 Selected Topic

1-3 hours

A course designed to treat subject matter not covered in other standard courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.

IDS 2900DG Selected Topics for Diversity Global

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-Global in the Archway Curriculum and C2/C3 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: Global

IDS 2900DU Selected Topics For Diversity-U.S.

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-United States in the Archway Curriculum and E2 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: U.S.

IDS 2950 Independent Study

1-4 hours

This is a research course. The student initially meets with the department chair to select a study topic and review research methods. At this time the student will be assigned a faculty resource person to guide his or her work and assist in an advisory capacity. A copy of the student's work is filed in the archives for the department. Independent Study may not duplicate courses described in the catalog.
Prerequisite(s): Permission of the department chair.

IDS 2960 Special Projects

1-15 hours

Supervised work on an approved project involving subject matter not included in any of the standard courses. Projects are normally developed individually, but may be arranged for organized groups. Registration should designate the area of work.

IDS 2970 Internship

1-8 hours

An on-the-job experience oriented toward the student's major interest. The student is to secure a position in an organization that satisfies the mutual interests of the instructor, the sponsor, and the student. P/F Only.
Prerequisite(s): Permission of the department chair.

IDS 3010 Archway Seminar Student Instructors

1-4 hours

Student instructors work closely with faculty instructors in the Archway Seminars, planning seminar sessions, facilitating class discussion, and responding to seminar assignments. In addition, student instructors will meet as a group to discuss and evaluate their experiences, and to participate in student development activities. Three hours of lecture per week (the meeting of the Archway Seminar). One hour of discussion per week or as needed.
Pass/Fail oriented.
May be repeated for a maximum of 6 hours.
Prerequisite(s): Selection as a student instructor for an Archway Seminar (approved by the Associate Provost for Integrative and Experiential Learning) and junior or senior standing.

Archway Curriculum: Essential Connections: Experiential Learning: Intensive

IDS 3110 Information Ethics & Human Rights

2 hours

Through case studies and problem-based learning, this course asks students to explore how information can be used to enact or subvert justice. Students will analyze ethical questions raised by the current information landscape and propose new ethical models to address these questions. Case studies will be drawn from multiple fields and subject areas, including information technology ethics, research ethics, legal ethics and media ethics.

Archway Curriculum: Justice Thread

IDS 3150 What If, Why Not?

2 hours

This thread culmination course asks students to synthesize learning from previous Democracy Thread courses. Students will put what they have learned in those courses into action by identifying a local, national, or global problem and creating a plan to address that problem. This course meets twice a week for eight weeks. The course will culminate with group presentations about each action plan.

Prerequisite(s): Junior standing or instructor permission.

Archway Curriculum: Integrative Core: Democracy Thread

IDS 3200 Experiential Learning - Chaos Thread

1-2 hours

See Thread Coordinator.

Archway Curriculum: Integrative Core: Chaos Thread
Archway Curriculum: Essential Connections: Experiential Learning: Intensive

IDS 3210 Experiential Learning - Democracy Thread

1-2 hours

See Thread Coordinator.

Archway Curriculum: Integrative Core: Democracy Thread

Archway Curriculum: Integrative Core: Science and Religion Thread
Archway Curriculum: Essential Connections: Experiential Learning: Intensive

IDS 3290 Experiential Learning - Human Health and Disease Thread

1-2 hours

See Thread Coordinator.

Archway Curriculum: Essential Connections: Experiential Learning: Intensive
Archway Curriculum: Integrative Core: Human Health and Disease Thread

IDS 3360 Atheism

4 hours

An interdisciplinary examination of atheism that integrates perspectives on the topic from the sciences, the arts, and the humanities.

Prerequisite: First-Year Writing

Archway Curriculum: Essential Connections: Writing Instructive
Archway Curriculum: Integrative Core: Chaos Thread

IDS 3500 Urban Diversity

3-4 hours

4 hours - fall or spring semester
3 hours - summer or winter term
This course introduces students to the major institutions, ethnic communities, and systems of Chicago. Students interact with community organizers, performers, political leaders, and business owners. Students visit neighborhoods, encounter the vast diversity of the city, and experience the connection between world events and urban living.
Prerequisite(s): Permission of Chicago Center for Urban Life and Culture Faculty Liaison.

Archway Curriculum: Essential Connections: Diversity Instructive: U.S.

IDS 3900DG Selected Topics for Diveristy Global

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-Global in the Archway Curriculum and C2/C3 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: Global

IDS 3900DU Selected Topics for Diversity-U.S.

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-United States in the Archway Curriculum and E2 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: U.S.

IDS 3950 Independent Study

1-4 hours

This is a research course. The student initially meets with the program director to select a study topic and review research methods. At this time the student will be assigned a faculty resource person to guide his or her work and assist in an advisory capacity. A copy of the student's work is filed in the archives for the department. Independent Study may not duplicate courses described in the catalog.
Prerequisite(s): Permission of the program director.

IDS 3960 Special Projects

1-15 hours

Supervised individual projects for students on topics selected by the student in consultation with the instructor. Special Projects may not duplicate courses described in the catalog.

Prerequisite(s): Permission of the instructor.

IDS 3970 Internship

1-8 hours

An on-the-job experience oriented toward the student's major interest. The student is to secure a position in an organization that satisfies the mutual interests of the instructor, the sponsor, and the student. P/F Only.
Prerequisite(s): Permission of the department chair.

IDS 4000 Student-Faculty Collaborative Research

0 hours

For grant recipients of the Nebraska Wesleyan University Student-Faculty Collaboration Research Fund for scholarship or research in collaboration with, or mentored by, faculty. Students carry out active, experiential learning apropriate to the students' disciplines and present the results of their projects in a university-wide local research symposium.
Pass/fail only.
A course fee will be assessed.
Prerequisite(s): Approval of the Student-Faculty Collaborative Research Committee.

IDS 4700 The Washington Experience (CHIP)

9 hours

Students enrolled in this course complete a 15 week, 32 hour/week internship in an organization related to various topics including politics, the law, arts, humanities, and social and natural sciences in Washington D.C. The primary goal of this course is to introduce the student to the world of practical engagement in a variety of fields in the nation's capital. A secondary goal of the course is to enrich the participants' understanding of self; sharpen their career goals; and foster networking, professional skills and civil literacy.

Prerequisite(s): Acceptance in the Capitol Hill Internship Program

Corequisite: IDS 4710 The Internship Seminar (CHIP)

Archway Curriculum: Essential Connections: Experiential Learning: Intensive

IDS 4710 The Internship Seminar (CHIP)

3 hours

Each week, interns gather (in the classroom in the CHIP building on Hill-510C St, NE) to discuss their internship and to extract its deeper meaning. The goal of the course is to expose students to generalizations about politics and related fields and how their internships are either confirming or challenging those generalizations. The readings for the course vary according to the internship placements of the students. Students are exposed to various research methodologies for understanding Washington politics and making connections to their internship. Guest speakers are used in this course.

Prerequisite(s): Acceptance into Capitol Hill Internship Program

Corequisite: IDS 4700 The Washington Experience (CHIP)

IDS 4800LD Discursive Reflections

2 hours

In this thread culmination experience course, students will recognize significant connections among their thread courses, reflect on their experiences in exploring the core questions and learning objectives in those thread courses, and synthesize their answers to those questions in the context of their personal and professional lives.
Offered in the Adult Undergraduate program only. Credit may not be earned for both IDS 4800LD and IDS 4800RS.
Prerequisite(s): Completion of all other Integrative Core requirements.

Archway Curriculum: Essential Connections: Discourse Instructive

Archway Curriculum: Integrative Core: UC Leadership Thread

IDS 4800RS Discursive Reflections

2 hours

In this thread culmination experience course, students will recognize significant connections among their thread courses, reflect on their experiences in exploring the core questions and learning objectives in those thread courses, and synthesize their answers to those questions in the context of their personal and professional lives.
Offered in the Adult Undergraduate program only. Credit may not be earned for both IDS 4800LD and IDS 4800RS
Prerequisite(s): Completion of all other Integrative Core requirements.

Archway Curriculum: Essential Connections: Discourse Instructive
Archway Curriculum: Integrative Core: UC Reflected Self Thread

IDS 4900DG Selected Topics for Diveristy Global

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-Global in the Archway Curriculum and C2/C3 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: Global

IDS 4900DU Selected Topics for Diversity-U.S.

3 hours

A course designed to treat subject matter not covered in other departmental courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.
This particular course works for Diversity-United States in the Archway Curriculum and E2 in the PGC Curriculum.

Archway Curriculum: Essential Connections: Diversity Instructive: U.S.

IDS 4910 Directed Readings

1-6 hours

An opportunity for students, under the supervision of a faculty member, to pursue scientific literature not covered in other coursework.

IDS 4950 Independent Study

1-4 hours

This is a research course. The student initially meets with the department chair to select a study topic and review research methods. At this time the student will be assigned a faculty resource person to guide his or her work and assist in an advisory capacity. A copy of the student's work is filed in the archives for the department. Independent study may not duplicate courses described in the catalog.
Prerequisite(s): Senior standing or permission of the department chair.

IDS 4960 Special Projects

1-15 hours

Supervised work on an approved project involving subject matter not included in any of the standard courses. Projects are normally developed individually but may be developed in organized groups. Registration should designate the area of work.

IDS 4970 Internship

1-8 hours

An on-the-job experience oriented toward the student's major interest. The student is to secure a position in an organization that satisfies the mutual interests of the instructor, the sponsor, and the student. P/F Only.
Prerequisite(s): Permission of the department chair.

IDS 4990 Senior Project

0-4 hours

Independent field research for all majors.

IDS 5000 Student-Faculty Collaborative Research

0 hours

For grant recipients of the Nebraska Wesleyan University Student-Faculty Collaboration Research Fund for scholarship or research in collaboration with, or mentored by, faculty. Students carry out active, experiential learning apropriate to the students' disciplines and present the results of their projects in a university-wide local research symposium.
Pass/fail only.
A course fee will be assessed.
Prerequisite(s): Approval of the Student-Faculty Collaborative Research Committee.
