MLANG 3020 Engaging In Study Abroad

Catalog

2021-2022

Course Description

This course is designed to engage students in meaningful activities while studying abroad, to maintain a connection with students while abroad, and to foster continued development of skills and knowledge during the study abroad period. Students will be introduced to specific strategies in culture and/or language learning in the target culture to help students achieve an experience in the host culture that is meaningful and productive. Students take this course concurrently with their first-semester study-abroad experience. Offered every semester.
