Nebraska Wesleyan University

ATTR 4020 Athletic Training Clinical Experience VI

Catalog

2022-2023

Course Description

This course provides clinical experience supervised by a Clinical Preceptor in an athletic training setting. Emphasis is placed on the use of computer software, health care administration, and professional development. Incorporated into this course will be a research project which serves as a capstone of the educational experiences at Nebraska Wesleyan University.
Prerequisite(s): ATTR 4010 Athletic Training Clinical Experience V.
(Normally offered each spring semester.)
