# English (B.A.)

## Catalog

2022-2023

## Program Description

The B.A. in English requires basic coursework in literature, writing, and language theory, and provides flexibility to students in pursuing additional courses that match their areas of interest and career goals. It can lead to graduate study in English, creative writing, law, or other academic or professional areas.

Foreign language study is strongly encouraged for all English majors.

Each student graduating with a major in English will participate in a senior exit interview, normally in conjunction with ENG 4990 Senior Workshop. This review will provide a means of self-assessment for each student and program assessment for the department.
