

## Nursing (R.N. to M.S.N.)

### Departments/Programs:

#### Nursing (Graduate)

The R.N. to M.S.N. program is designed for students who possess a record of academic excellence and wish to accelerate their progress toward earning a master's degree. While pursuing the MSN, students will earn a B.S.N. degree when degree requirements have been met. Admission to the R.N. to M.S.N. program considers the additional requirements of the M.S.N. program.

### Admission Requirements

To be considered for admission to the Master of Science in Nursing program, students must meet all **general admission requirements** of Nebraska Wesleyan University, as well as the following specific admissions requirements of the RN-MSN program:

- Graduation from a state-approved nursing program with a diploma or an associate degree in nursing
- A cumulative undergraduate grade point average of 3.0 or above (on a 4.0 scale)
- Completed nursing prerequisites with a grade of B or above (one science must include laboratory):
  - English (3 credits)
  - Anatomy and Physiology (6-8 credits)
  - Microbiology (3-4 credits)
  - General Chemistry (3-4 credits)
  - Introductory Psychology (3 credits)
  - General Sociology (3 credits)
- One year of experience working as a registered nurse within the last three years
- An unencumbered active Nebraska or compact state nursing license with expiration date
- Successful completion of a background check, drug screen, immunization tracker, and essential functions form.
