Nebraska Wesleyan University

AT 4020 Athletic Training Clinical Experience Vi

Catalog

2022-2023

Course Description

This course provides clinical experience supervised by a Clinical Preceptor in an athletic training setting. Emphasis is placed on the use of computer software, health care administration, and professional development. Incorporated into this course will be a research project which serves as a capstone of the educational experiences at Nebraska Wesleyan University. Prerequisite(s): Athletic Training 4010. (Normally offered each spring semester.)

Archway Curriculum: Essential Connections: Experiential Learning: Intensive
